Mr.  
ERIC FLESCH  
CEO  
PROMIGAS S.A.  
Bogotá D.C.

Below, the Global Compact Network Colombia presents its view resulting from reading and analyzing PROMIGAS 2019 ANNUAL MANAGEMENT REPORT, in accordance with the advanced COP criteria. Advanced COP is a reporting progress policy that reviews the adoption of and commitment with the following aspects, assessed by twenty-one criteria:

1. The 10 Principles' implementation in the Strategies and Operations
2. Strong Human Rights management policies and procedures
3. Strong Workforce management policies and procedures
4. Strong Environmental management policies and procedures
5. Strong Anti-Corruption management policies and procedures
6. Taking actions to support the widest reaching UN objectives and issues
7. Corporate Sustainability Leadership and Governance

The report's content demonstrates a 97% progress according to the advanced COP criteria analysis methodology. The instrument used to assess indicators and the thematic assessment documents are attached to this letter.

The Colombian Global Compact Local Network strongly acknowledges PROMIGAS S.A. for its management and commitment with the UN Global Compact's principles and objectives in its operations and with its stakeholders.

Sincerely,

Cordialmente,

Mauricio López González  
Director Ejecutivo
