

SARMIENTO ANGULO BUSINESS GROUP

SPECIAL REPORT – ARTICLE 29 OF LAW 222 OF 1995

PROMIGAS S.A. E.S.P.

Company that is part of the business group

In compliance with the provisions of Article 29 of Law 222 of 1995, the management of PROMIGAS S.A. E.S.P. (hereinafter, the “Company”), a company that is part of the Sarmiento Angulo Business Group, hereby submits to the General Meeting of Shareholders the Special Business Group Report, which details the intensity of the economic relationships and legal ties existing between the controlling natural person (Mr. Luis Carlos Sarmiento Angulo) and this Company, as well as with the other companies that form part of the business group, during the period from January 1 to December 31, 2025.

Pursuant to the law, in cases of a business group, both the parent company and its subsidiaries must submit this special report, which must account, at a minimum, for:

- (1) the most significant transactions carried out during the fiscal year between the parent company (or its affiliates) and the subsidiary;
- (2) the most significant transactions carried out during the fiscal year by influence of or in the interest of the parent company (or, conversely, in the interest of the subsidiary); and
- (3) the most significant decisions that the subsidiary adopted or omitted by influence of or in the interest of the parent company (and, conversely, decisions of the parent company in the interest of the subsidiary).

The financial and corporate information presented below has been obtained from the Company’s accounting records and official books. Unless otherwise indicated, all transactions described were carried out under market conditions, in the best interest of each of the parties involved.

1. Transactions carried out with the controlling natural person or with other companies that are part of the Sarmiento Angulo Business Group

Among the transactions carried out during fiscal year 2025 are the following:

- Savings accounts and yields
- Loans

- Back-office services
- Gas transportation services
- Lodging and restaurant services
- Maintenance and construction of gas pipelines
- Financial leasing
- Hedging instruments, bonds
- Business collaboration and technical assistance agreements

The aforementioned transactions were carried out with the following companies within the Business Group:

Company	Assets	Liabilities	Income	Expense/Cost
Surtidora de Gas del Caribe S.A. E.S.P.	119,465,077,961	5,163,202,144	17,832,456,734	30,671,903,024

2. Significant decisions adopted by the Company involving other companies within the Sarmiento Angulo Business Group

The most significant decisions adopted by the Company involving other companies of the Sarmiento Angulo Business Group were the following, all of which were approved by the Board of Directors:

Matter	Minutes	Date
Award of the Framework Contract for Geotechnical Protection Works with Promisol S.A.S.	Minutes No. 584	January 28, 2025
Award of the Framework Maintenance Contract with Promisol S.A.S.	Minutes No. 585	February 18, 2025
Award of the Bidirectionality Project 100 MPCD and Synergies 170 MPCD with Promisol S.A.S.	Minutes No. 587	April 29, 2025
Fronting insurers agreement with Seguros Alfa (among others)	Minutes No. 588	May 27, 2025
Spot Gas agreement with Surtigas S.A. E.S.P.	Minutes No. 600	December 15, 2025

3. Absence of other significant decisions influenced by or taken in the interest of the controlling natural person

In addition to the transactions and decisions described in this report, during fiscal year 2025, the Company did not participate in any other significant decisions by influence of or in the interest of the parent company or other companies that are part of the business group.

Specifically, during the period reported, the Company neither omitted nor adopted any relevant strategic or operational decisions that were contrary to its own corporate interest. The corporate decisions of Promigas S.A. E.S.P. were made autonomously and

in furtherance of the Company's best interest, aligned with the general strategy of the group, but without impositions that could compromise its independence.

Likewise, there is no record that the parent company refrained from making any significant decision or adopted extraordinary decisions solely for the purpose of favoring this subsidiary. The guidelines received were framed within the general policies of the group and did not result in any detriment to the Company nor confer an undue advantage vis-à-vis third parties. This absence of influenced decisions reflects that the relationship with group companies was conducted under conditions of transparency and sound corporate governance.

JUAN MANUEL ROJAS PAYÁN
